THE FRIENDS OF THE BURE VALLEY RAILWAY

Application Form

The Supporters' Association of
East Anglia's Premier Narrow Gauge Railway

THE FRIENDS OF THE BURE VALLEY RAILWAY

The Friends of The Bure Valley Railway is the Independent Supporters' Association for the railway. We help with a wide variety of the Railway's projects both financially and practically. Your membership gives you the Friends own quarterly magazine, allowing you to keep in touch with the railway and its ongoing developments. Here too, you will find details of social activities exclusive to members.

Your membership card also gives you discounted fares on the railway* and special seasonal offers to members.

Please remember that all of the surplus from your membership subscription is used to support the Bure Valley Railway.

We hope that you enjoy your journeys on the Bure Valley Railway and when you travel you will no doubt notice that many of the tasks are being done by volunteers. This includes drivers, firemen, guards and assistants in the Bufferstop Books.

If you think that you might be interested in volunteering please email volunteering@bvrw.co.uk or ask for details from any member of Staff. Full training will be given but what is important is every one has something to give. The main requirement is your enthusiasm.

Discounts on fares and other exclusive Friends' offers

There is always something YOU can do to help the Railway...
